

REMODELING CHECKLIST

Define Your Project

“Must Have” Items

List the driving factors behind your remodel, that need to be included in order to achieve your project goal. Must-have items that you can't do without.

“Would Like” Items

Aspects of the project that you strongly desire, but could rule out later due to budget or logistical reasons.

“Ultimate Dream” Items

Would love-to-have ideas to explore and keep in mind, but are not central to the project goal. These could be added at a later date.

Structural Changes / Other Needs

What changes do you think may be necessary to complete your project? List specific ideas below.

| <input type="checkbox"/> Laundry | <input type="checkbox"/> Increased/Specialty Storage |

NOTE: Consider the traffic flow – think of entertaining and holidays and the flow of people in and around your kitchen.

Collect ideas and consider the following to enhance your kitchen remodeling project

- Brainstorm with household members.
 - Idea shop... visit model homes, showrooms, or home shows.
 - Pick up magazines, books, and catalogues.
 - Visit big-box stores or remodeling centers. Free catalogs are great idea starters.
